

Code of Conduct

Participation in interscholastic athletics is a privilege, not a constitutionally protected right. The privilege of participation could be revoked for on-campus and off-camps misconduct.

SCHOOL DISTRICT #52 Athletic Rules and Guidelines:

The school district rules and guidelines will be strictly enforced, as we want players and parents to be aware of what they are. Coaches are responsible for teaching more than just athletics, things like responsibility, honesty, discipline, and working with others in a team setting.

Coaches will set rules for training as long as they do not conflict with school policy. Athletes are, because of the exposure to the public, ambassadors of the school district. The schools are often looked at by the members of the community and in other communities by actions of the young people who represent them in the athletic area. This is a weighty, but nonetheless real responsibility that we place on the shoulders of our young people.

Athletic programs are optional and it is expected that all athletes, both boys and girls, will adhere to certain minimum standards of behavior and scholarship as established by the board, the building administration, and the coach.

As a participant he or she will represent the school in a respectful manner.

Activities:

Students are encouraged to participate in all school functions. Participation in any given activity is to be under the responsibility and direction of the faculty sponsor. No student or student group shall be allowed to represent the school in any activity unless the school has approved it.

Snake River High School competes in the following extra-curricular sports:
Fall: Football, Volleyball, Boys and Girls Cross Country, Boys and Girls Soccer
Winter: Wrestling, Boys and Girls Basketball
Spring: Track and Field, Softball, Baseball, Boys and Girls Golf

Physicals and Consent Form:

Students participating in extra-curricular activities are required to have an athletic physical, and have their parents sign an interim questionnaire before practicing or practicing in any sport. The physical may not be taken before May 1. Students must have a physical every year.

Practice before Contests

A student must have ten days of practice prior to the day of the first contest. A player can not start counting days of practice until the coach has their physical in hand or on file in the athletic office. **No practice without a physical.**

Health Insurance

Every head coach is responsible to make sure that every student and their parent has the opportunity to get health insurance for the student athlete if they don't already of it.

Academic Eligibility:

For students to be eligible for participation in extra-curricular activities, they must meet the following district eligibility requirements which are in addition to I.H.S.A.A standards and existing school regulations.

1. Students must pass 4 classes and maintain a minimum 2.0 GPA the trimester prior to participation. If a student does not pass four classes, he/she is ineligible for the entire trimester. If a student passes 4 classes, but does not have a minimum 2.0 GPA, he/she will be placed on probation for the trimester. A student on probation will be ineligible for the first 3 weeks of the next trimester until a progress report indicates the student has a minimum 2.0 GPA. The probation grade check occurs at the end of the first 3 weeks, mid-term, and ninth week. If the student fails to have a minimum 2.0 GPA at any of these checks, he/she will be ineligible for the next 3 weeks. Students on Academic Probation will not travel to away games/contests.
2. Students participating in extra-curricular activities are to adhere to the school rules as outlined in the Snake River School District Student Code of Conduct.
3. Students participating in extra-curricular activities are required to have an athletic physical, and have their parents sign an Interim Questionnaire and Waiver of Insurance.
4. Students that are on probation or ineligible due to grades and working toward getting academically eligible, practice will be left to the discretion of the coach.

Bus Regulations:

Students riding the bus to and from school, and while on school activities are expected to follow all rules and guidelines as set forth by the School District Director of Transportation and the bus driver. Students who exhibit inappropriate behavior while riding the bus may lose the privilege to use school district transportation.

All participating students and sponsors are required to ride the school-provided transportation to and from activities sponsored by the school. An exception will be:

1. If after an activity the parent/guardian speaks to the advisor or coach, face to face, and provides the sponsor or coach with a written and signed note. The student will then be released to the student/guardian.
2. If the parent/guardian makes previous arrangements with the principal or assistant principal PRIOR to the activity.

UNDER NO CIRCUMSTANCE WILL PARTICIPATING STUDENTS BE ALLOWED TO RIDE TO AND FROM ACTIVITIES BY THEMSELVES OR WITH OTHER STUDENTS OR MINORS.

Alcohol/Tobacco/Illegal Drugs

The use, sale, distribution, or possession of, and/or being under the influence of alcohol beverages, tobacco, or illegal drugs, disciplinary action will be followed as set forth by the school board policy that is found in the student agenda.
